Mr. Brian Tannenhaus
BD Engineering, LLC
1825 Swarthmore Avenue
Lakewood, NJ 08701

Dear Mr. Tannenhaus:

Congratulations on BD Engineerings' prequalification with the State of New Jersey, Division of Property Management and Construction. Your firm's rating is based on the information submitted in your Professional Services Prequalification Application, Form 48A.

Prequalification ratings are based on the number of licensed staff and the firm's experience in each discipline/specialty requested (a minimum of three for each is required). Therefore, the ratings on the enclosed 48AN reflect all disciplines/specialties in which sufficient information was received in your application.

BD Engineering's status as a "prequalified firm" is always subject to review. Please remember that during its prequalification period, a firm is required to notify DPMC in writing within sixty (60) days, when substantial changes occur, such as a change in ownership, key people, address or financial condition.

Your firm may submit for a revision to its rating at any time during its two-year term of prequalification. If the firm is approved, becomes approved or renews its status as a Small Business Enterprise (SBE) or as a Minority or Woman Owned Business (MBE or WBE) and this is not noted on your Notice of Prequalification, you may submit a copy of your firm's certificate and a revised Notice will be issued.

The Schools Development Authority requires a copy of the DPMC Notice of Prequalification accompany a firm's request for SDA prequalification. To obtain a copy of the four page SDA application, go to www.njsda.gov or call (609) 292-1390 between the hours of 8:30 AM and 5:00 PM on weekdays.

Again, congratulations on your DPMC prequalification. If you have any questions about the prequalification or revision process, you may contact me at (609) 984-6979.

Sincerely,

Bobbie Schott
